THE BREVITY BASKET.

Filled With Brief Mention of Many Minor Events of Yesterday.

Dr. J. Frank Lewis, who died at Alexandria, Sunday night, was employed as watchman in the treasury department, at the time of his death.

A warrant was sworn out yesterday by Mary H. Abbe charging Charles Conrad Blanchard with the larceny of a watch and chain and other jewelry, valued at nearly \$300.

An old lady, nearly 80 years of age, named McGreevy, sustained painful injuries to the head and face by falling down a flight of stairs at her residence, 413 Ninth street, last night.

Several of the striking street car employees, who lost their positions by the strike, started for Chicago and St. Louis last evening in the hope of finding employment there on the street railways.

About 8 o'clock yesterday morning a fire broke out in the basement of R. Goldschmidt's fancy goods establishment, No. 512 Seventh street, supposed to have originated from the furnaces. The flames were extinguished by the fire department, which promptly responded. The loss on the building was but about \$100, but on the goods it was considerable, much of the damage to the stock in the main salesroom and in the upper stories being done by the smoke.

The workmen at the new bridge over Sixth street, near B southwest, put in the last base yesterday for the columns which will support the bridge. The coping has been finished on the bridge proper, and they are only waiting for the iron gas lamps to arrive when the work of adding the coping to the "wing walls" will be commenced. The approach on the west side is being rapidly graded, but the work on the east side is delayed by the presence of the derrick which is needed for hoisting.

New Jersey Premium Wine.

Physicians state that the Port Wine, produced by Mr. Alfred Speer, of New Jersey, that took the Premium at the Centennial, is excellent for medicinal purposes, being pure and more reliable than other port wines. Especially recommended for weakly females and the aged. The brown stone shale soil in which the grapes grow is rich in iron; this is the cause of the deep color and the blood making properties of the wine. For sale by druggists.

THE great bicycle race to-day.

Police Court Notes.

Sarah Holmes and Mary Bedford were sent to jail for sixty days each for stealing chickens.

Robert Jones was fined \$20 and Henry Washington \$5 for indulging in a fight at Twentieth and E streets.

William Griffin was given two months in jail for stealing a watch and razor from the house of Anderson McCoy.

Samuel Lewis was fined \$50 or ninety days for carrying a pistol.

George Williams was fined \$5 for indecent exposure.

If you feel dull, drowsy, debilitated, have sallow color of skin, or yellowish brown spots on face or body, frequent headache or dizziness, bad taste in mouth, internal heat or chills alternated with hot flushes, low spirits, and gloomy forebodings, irregular appetite, and tongue coated, you are suffering from "torpid liver," or "biliousness." In many cases of "liver complaint" only part of these symptoms are experienced. As a remedy for all such cases Dr. Pierce's "Golden Medical Discovery" has no equal, as it effects perfect and radical cures. At all drug stores.

THE big race is to be run to-day.

Tickets to Newburg by the West Shore route are on sale at the city and depot offices in Washington, D. C., or excursion tickets can be purchased in the ticket offices of the Pennsylvania railway at Jersey City.

A New Real Estate Deal.

Mr. A. E. Bateman, the banker, and a party of New York capitalists have purchased from Senator John Sherman another large tract of the Columbia heights property on Thirteenth street. It is proposed by this syndicate to erect a number of villa residences that will be rented at moderate rates. Fifty thousand dollars was paid for the land. It is rumored that \$50,000 more will be expended in improvements.

## DRESS TRIMMINGS.

We have delayed advertising trimmings on account of our not receiving several cases of goods which Mr. Lansburgh bought when in Paris. These goods have now arrived. Our assortment of Fine Dress and Cloak Trimmings is complete. Importing direct enables us to save our patrons at least 25 per cent. We make this statement after a full investigation and after a comparison made with the goods of other houses. We are always pleased to show goods whether ladies wish to buy or not. The gentleman in charge of this department desires us to say to those ladies who are undecided as to how to trim their garments that he will be glad to assist them in giving them ideas, which his long experience qualifies him to do, and as his frequent trips to New York afford him the opportunity to see the latest styles. With our imported goods we have received a number of Paris Fashion Plates, which we shall be glad to exhibit.

**CHENILLE TRIMMINGS** bid fair to be very popular, especially for outside garments. We imported an immense line of them, both in black and colors. Handsome Chenille Marabot Trimming, 2 1/2 inches wide, black only, 65c per yard; 3 1/2 inches wide, \$1 per yard; 4 1/2 inches wide, \$1.50 per yard. An elegant double row, three ball Chenille Fringe, hangs as a marabot, at 95c per yard; also a handsome fringe in the new Leech pattern of Chenille, which also hangs as a marabot, \$1.15 per yard. Specially fine is a very wide fringe, hanging as a marabot in double rows, four ball Chenille, \$1.50 per yard.

**COLOR TRIMMINGS.**—Satin Cord Separable Gimps can be cut apart and the ornaments used separately. Our Gimp in all colors at 95c per yard is sold by other houses at \$1.10. Marabot Chenille Trimmings, in all colors, 2 1/2 inches wide, 95c per yard. Also a double row Chenille Fringe, hangs as a marabot, all colors, 4 1/2 inches wide, \$1.10 per yard.

**SATIN CORD SEPARABLE GIMPS.**—Space will not permit description of the 150 different styles of our Separable Gimps. We offer a very pretty Satin Cord Separable Gimp, 2 inches wide, at 60c per yard. Another very handsome style, a little wider, at 65c per yard. At 85c per yard we have ten different styles—some wide, some narrow, some fine, some not so fine, but all very cheap. At 95c we have six styles, very wide and showy goods. They are a bargain. Finer goods in endless variety, \$1 to \$14 per yard, in width from 2 to 14 inches. These goods are worth a visit to the Palais Royal if it is only to look at them.

**BEAD GIMPS.**—Though not so fashionable as Chenille and Separable, have still a ready sale. Our prices are 50 per cent. lower than last season's prices. All widths from 1 1/2 to \$10 per yard.

**OSTRICH FEATHER TRIMMINGS.**—In brown and black, 4 inches wide, 95c; 5 inches wide, \$1.35, and 6 inches wide, \$1.68 per yard. Our Feather Trimmings are all sewed feathers, and damp weather will not make them fall off like pasted goods will.

**VELVETS.**—Though only lately added to our stock, have been selling well. We guess the prices below will give the reason why. Silk-faced Velvet, fine, heavy quality, all colors, \$1.50 per yard; sold everywhere at \$1.80. Better quality, \$1.80; regular price, \$2. And for \$2.30 per yard goods that bring \$3 elsewhere.

**VELVET RIBBONS.**—In speaking of Velvet Ribbons we desire our patrons to remember that our goods are all silk and positively fast edges. The prices we can guarantee to be lower than the same qualities are sold in New York. We have all widths and colors. Black from No. 2 to No. 20. The new colors from No. 2 to No. 12.

**BUTTONS.**—By actual count we have 770 different styles buttons in stock. To be brief, they comprise everything.

**BEADED LACES, CROWNS, DRESS FRONTS.**—Was it the smartness of the Parisian salesmen or Mr. Lansburgh's love for the beautiful that made him purchase such an enormous stock of these novelties? Yes the quantities are large, but the goods were bought so cheaply, we can sell at the usual wholesale prices. In fact, Mr. Lansburgh sold several large lots to retail houses in New York at same prices we quote below. Forty pieces heavily beaded Lace, 48c; usual price, 70c per yard. One hundred pieces Velvet and Jet Beaded Laces, from \$1.24 per yard; just half usual price. Two hundred Beaded Dress Fronts, from \$3.98 each; exorbitantly beautiful. Very special—1,000 Beaded Crowns, 25c each; usual price, 65c. Five hundred Beaded Crowns, 35c each; usual price, 95c. The wonder of the season. We shall be pleased and proud to show above novelties to all callers.
